

EUROPEAN HEADACHE FEDERATION - SCHOOL OF ADVANCED STUDIES (SAS)
May 23rd -24th, 2024, Linz, Austria

European Headache Federation (EHF) promotes the meetings of its own School of Advanced Studies (SAS). This Meeting is dedicated to physicians and researchers needing to improve their clinical expertise and their knowledge on the latest research trends in migraine. The Meeting of EHF-SAS offers young clinicians and scientists high qualifying educational activities, enhancing their critical spirit and their skills to face the complex knowledge of clinical headache medicine, always in a multidisciplinary perspective. Candidates must present the right qualifications through the online application form in order to be admitted as Junior Fellow of the EHF-SAS. The number of participants is limited to 25 persons onsite. Applications will be accepted on the decision of the Director of SAS Prof. Christian Lampl. Attendants of previous EHF-SAS meetings are not entitled to apply.

The EHF-SAS will offer full bursaries, including travel, accommodation and meals. Basic pre-requisites for admission are: Letter of Motivation, Letter of Presentation, European CV.

INFORMATIONS

Lectures will last 30 minutes and will be followed by 15 minutes of interactive discussion. Attendants will be invited to participate in the preparation of SAS Invited Reviews to be submitted to The Journal of Headache and Pain, Thematic Collection Hot Topics in Headache and Pain from the EHF-SAS. SAS fellows will be exempt from the registration fee and will be awarded with a Diploma during the SAS session of the 2024 EHF Congress in Rotterdam.
