The Master in Headache Medicine is a one-year course of training in permanent excellence divided into two terms. Applicants must already have a specialist degree on either one of the following disciplines: Medicine and Surgery, Odontology, Pharmacy, Pharmaceutical Technologies, Biotechnology, or Psychology. The Master in Headache Medicine is not compatible with any contemporary academic course, excluding the High Formation Courses. The official language is English.

The cost of the Master is € 3,500, which must be paid in a single instalment at the time of registration and not later than 28 February 2011. The application form for the Master must be accompanied by a registration fee of € 35.00 and a Stamp duty of € 14.62. In case of delayed payment there is an extra cost of € 58.00 within 60 days after due date amount of € 116.00 for payment after the 60th day. A fee of € 68.00 is foreseen for final examination. The payment on the whole can be performed online at the website http://www.uniroma1.it/studenti/tasse/pagamenti.php. The Teaching-Scientific Council may assign study grants, which may also be obtained from private or public companies, or other bodies. Scholarships for GC will be available.

Applications
Applications for admission must be sent to: Prof. Paolo Martelletti, Master in Headache Medicine, II School of Medicine, Sapienza University of Rome, Via Vitochiano 81, I-00189 Rome, Italy in such a way as to arrive by 15 December 2010. The application, which must contain the personal details of the candidate (surname, name, date and place of birth) and bear his/her handwritten signature, is to be accompanied by the following documents:
• a copy of a valid identity document;
• a degree certificate bearing the final mark, as well as a list of all of the examinations taken and their marks;
• a curriculum vitae et studiorum containing the title of the degree thesis, as well as those of any post-graduate Specialisation, Master or Doctorate theses, together with the date on which the degree was awarded and its grade; a list of any other qualifications and certificates, including any certification regarding scientific, teaching and research activities that may be considered useful for the purposes of admission.

Site
The teaching activities will take place on the teaching premises of the II School of Medicine of Sapienza University of Rome, as well as in the clinical structures referring to the Regional Referral Headache Centre at Sant’Andrea Hospital in Rome.
